

WE PRODUCE
MORE EXOTIC
AND
MORE UNIQUE
PATTERNS IN OUR RUGS

 **Global Overseas**TM
Innovation beyond Imagination

Collection of *Global Overseas* counts among the top productions coming out today. The carpets produced under this collection are woven according to the strictest standards in quality, these pieces distinguish themselves through their jewel-toned colours and rich, lustrous wool.

This Collection offers a refreshing new direction and an exciting departure from more traditional rug designs. Hand-knotted in India by expert weavers using the finest materials, these rugs feature stunning transitional patterns in a variety of rich colourways. Boundary-defying, These rugs add depth and energy to a traditional space or they can also be a colourful, saturated element in a modern room.

Global Overseas manufactures its carpets with almost care and total excellence in skill and workmanship. Quality consistency, use of good materials in our product are always a matter of great concern. It leaves no space for any compromise in maintaining its quality. Thus, the secret of *Global Overseas* success lies in their Quality, Timely Deliveries, Ample Ready Stocks and their Traditional and Modern Designs in eye catching Colours.

GLOBAL

A refreshing
new
direction
and an
exciting
departure
from more
traditional
rug designs.

CLASSO

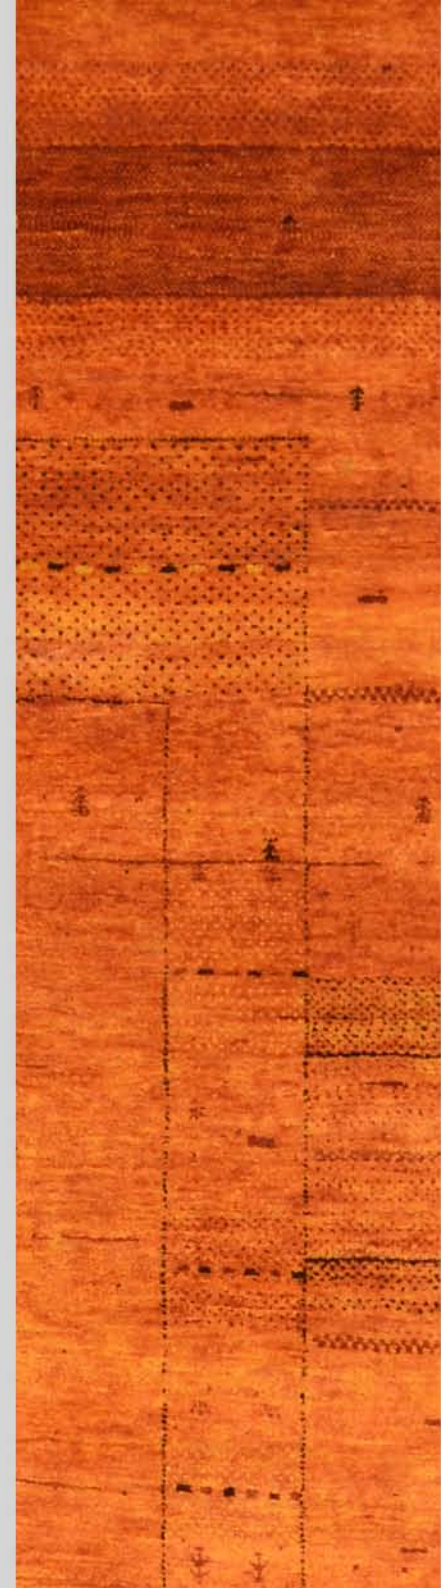

An elegant
fusion between
history and
timelessness
are the common
threads of this
preferred
collection.

Loribaft patterns
give a more
precise impression
and the colours are
in parts, more forceful
without the carpet
losing its inimitable
and natural character.
